## PROPANE CREDIT APPLICATION

### CREDIT POLICY

We appreciate your business and consider it a pleasure and a privilege to serve you. As a courtesy to our customers we offer the convenience of charge accounts, based on your credit report, which we submit to Trans Union Credit Reporting Agency. Your social security number is required and is kept strictly confidential. Upon delivery of propane, a delivery slip will be left at your residence. When a slip is not left, it will be mailed to you. Your delivery slip will be your invoice, which is due in full within 30 days. If an account is not paid within 30 days of billing a monthly service charge of 1.50% will be added to your account, it will be placed on COD status and will be taken off our Automatic Delivery System. There will be no credit extended until full payment is received. We reserve the right to remove any of our propane tanks from the property at the cost of the homeowner until payment is received in full.
